Beginning Beaded Jewelry — Instructor: Glorianne Ljubich — $25

Beginning beaders, start here! You'll learn about various findings and beads for making your own jewelry and the different tools used for beading. Learn how to make earrings, necklaces and bracelets using wire and Soft Flex beading wire.

Level: Beginning **Prerequisite:** None

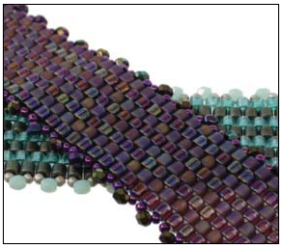
Session 1: Thurs., September 20 6pm-9pm
Session 2: Wed., October 3 6pm-9pm
Session 3: Sun., October 21 2pm-5pm
Session 4: Wed., November 7 6pm-9pm
Session 5: Wed., November 28 6pm-9pm
Session 6: Thurs., December 13 6pm-9pm

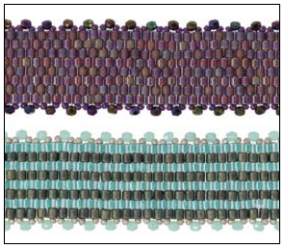
Beginning Pearl Knotting — Instructor: Karen Lynch — $25

Learn to knot beautiful necklaces reminiscent of your mother's pearl necklace. Then add a modern twist to this classic design to create a piece uniquely your own. This class will take you through the design and construction of a knotted bracelet using silk cord, freshwater pearls and semi-precious stones.

Level: Beginning **Prerequisite:** None

Session 1: Tuesday, September 18 6pm-9pm
Session 2: Wednesday, October 17 6pm-9pm



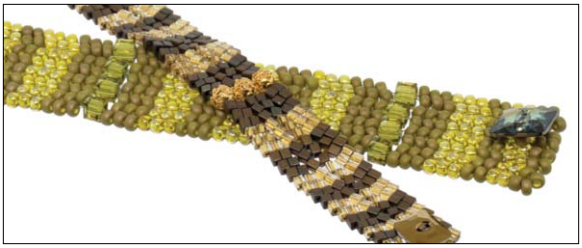


Beginning Flat Peyote — Instructor: Glorianne Ljubich — $25

Master the basic techniques of flat peyote, one of the most popular and versatile beadweaving stitches. Learn even- and odd-count peyote stitch, required for intermediate and advanced classes. Use cylinder beads to weave a beautiful bracelet or choker.

Level: Beginning **Prerequisite:** None

Session 1: Thursday, September 13 6pm-9pm
Session 2: Sunday, October 21 10am-1pm



Beginning Flat Herringbone Stitch — Instructor: Tina Koyama — $25

Learn the basics of the flat herringbone stitch, a supple beadweaving stitch that is the base for many variations and stunning jewelry designs. We'll begin an elegant bracelet, which you'll have the option to embellish with small crystals. Herringbone stitch is also known as Ndebele stitch, named after the South African tribe that originated it.

Level: Beginning **Prerequisite:** None

Session 1: Saturday, September 15 10am-1pm

Beginning Tubular Herringbone Stitch — Instructor: Tina Koyama — $25

Tubular herringbone is a versatile base for many gorgeous jewelry designs you've seen in magazines. We'll begin an elegant bracelet, and you'll have the option to learn an embellishment technique to add sparkle and color. Herringbone stitch is also known as Ndebele stitch, named after the South African tribe that originated it.

Level: Beginning **Prerequisite:** None

Session 1: Saturday, October 6 10am-1pm

Beginning Right Angle Weave — Instructor: Karen Lynch — $25

In this introduction to flat right angle weave, we will practice turning and changing rows while working on a right angle weave square. This square can be continued to make a gorgeous cuff on your own. The structural nature of this weave allows for lots of possibilities for necklaces, bracelets and pendants. One of the most popular stitches, right angle weave is an ideal stitch to start you on the road to beadweaving.

Level: Beginning **Prerequisite:** None

Session 1: Saturday, September 22 10am-1pm
Session 2: Tuesday, November 13 6pm-9pm

BEADWEAVING CLASSES

Anemone Bracelet — Instructor: Tina Koyama — $25

Make a bracelet that is as fun, frilly, elegant or eclectic as you choose! A strong core of beading wire forms the base. Then use a needle and thread to weave in your choice of fringe beads, creating an impressive, eye-catching bracelet with layers of texture and color. The best part? Not only is it easy, it's fast – you'll finish the bracelet in class.

Level: Beginning **Prerequisite:** None

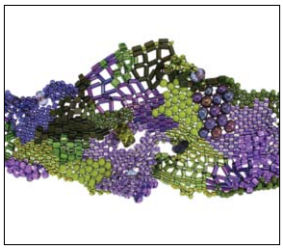
Session 1: Thursday, September 27 6pm-9pm

Phoenix Pendant* — Instructor: Tina Koyama — $25

Shimmering with Swarovski crystals, this brick stitch pendant makes use of varying sizes and types of seed beads to build its radiating, half-mandala shapes. Finished with chain, the necklace works up quickly, and students will be able to wear it home.

Level: Intermediate **Prerequisite:** Knowledge of flat brick stitch.

Session 1: Saturday, October 20 2pm-5pm



Fearless Freeform Beadwork* — Instructor: Tina Koyama — $45

Bead fearlessly – you've got nothing to lose but your beading inhibitions! Using your choice of either peyote stitch or right angle weave, you'll learn new techniques and skills as you gain confidence in beading without instructions or a pattern. Students who are proficient with both peyote and right angle weave may choose to combine both stitches in the same piece for the ultimate freeform experience.

Level: Intermediate

Prerequisite: Proficiency with either peyote or right angle weave.

Session 1: Saturday, October 27 11am-5pm

Spiral Rope — Instructor: Tina Koyama — $25

Spiral rope is an elegant, easy-to-learn stitch that can be embellished as little or as much as you like. In this class, we'll make a bracelet combining seed beads with your choice of crystals, fire polished beads, pearls or a mix of accent beads. Create your own variations with different patterns of beads. Spiral rope is an ideal introduction to seed beadweaving. Most students will finish the bracelet in class.

Level: Beginning **Prerequisite:** None

Session 1: Thursday, November 1 6pm-9pm

Duomo Bracelet* — Instructor: Tina Koyama — $25

Using a variety of beads, create a stunning, sculptural bracelet that is built with an easy pattern. Named for the cathedral in Florence, the domed crest shimmers with fire polished beads, crystals or pearls.

Level: Intermediate **Prerequisite:** Knowledge of flat peyote stitch.

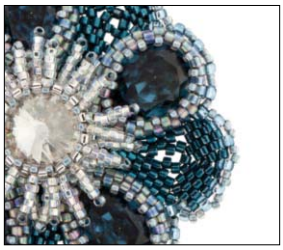
Session 1: Wed., November 14 6pm-9pm

Romancing the Stones* — Instructor: Karen Lynch — $45

This chunky stone bracelet is a little bit Renaissance, and a little bit Right Now. Large flat gemstone beads are bezelled with embellished right angle weave and joined by a band of crystals embraced by a hexagon/daisy chain weave.

Level: Intermediate **Prerequisite:** Proficient with right angle weave

Session 1: Sunday, October 14 11am-5pm



Cosmos Flower* — Instructor: Karen Lynch — $45

Create a brilliant and memorable flower modeled after the Cosmos, one of the most striking in the summer garden. We will create the flower only, so you can make it into a necklace, a brooch, a hair accessory or anything you can imagine.

Level: Intermediate **Prerequisite:** Knowledge of flat peyote and peyote bezel.

Session 1: Saturday, December 8 11am-5pm

BEADWEAVING CLASSES

new

Lacework Leaves* Instructor: Karen Williams $25

Work with peyote stitch and random right angle weave to create these lacy heart-shaped leaf earrings. Stitched with semi-freeform peyote, each design is unique while working from a basic pattern.

Level: Intermediate **Prerequisite:** Knowledge of flat peyote stitch.

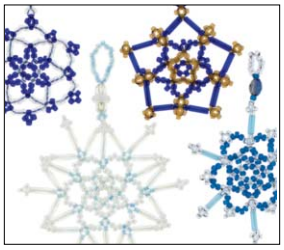
Session 1: Wednesday, October 10 6pm-9pm

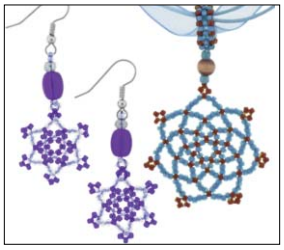
Freeform Peyote Ruffles* Instructor: Karen Williams $45

Create a beaded sculpture that you can wear! A variation on freeform peyote, we will focus specifically on ruffles. We will start by discussing potential color schemes and ways to move colors and textures through your piece to help integrate the design. You'll be able to complete a smaller project like a pair of earrings or pendant, or make a good start on a larger project such as a bracelet.

Level: Intermediate **Prerequisite:** Knowledge of flat peyote stitch.

Session 1: Wed., November 28 11am-5pm





Snowflakes Instructor: Karen Williams $25

Create a variety of lovely snowflake ornaments, earrings or pendants. Learn a netting-in-the-round technique using seed and bugle beads to create these open, lacy designs.

Level: Beginning **Prerequisite:** None

Session 1: Saturday, December 1 2pm-5pm

Dutch Bangle Instructor: Sheri Caruso $25

Learn how to weave Dutch spiral by making this chunky flexible bracelet using seed beads and drops. It's fun to mix matte beads with shiny to get a more dimensional look.

Level: Beginning **Prerequisite:** None

Session 1: Saturday, October 20 10am-1pm

Knight's Garden* Instructor: Sheri Caruso $25

Have you been looking for a way to include seed beads and metal into the same project? This class does just that. Begin by using a two-drop peyote stitch, which works up quickly. Then embellish the base with Arte Metal by Vintaj, gorgeous crystals and crown heishi beads to create the Knight's Garden.

Level: Intermediate **Prerequisite:** Knowledge of at least one beadweaving stitch.

Session 1: Sunday, October 28 10am-1pm

Itty Bitty Bead Vessels – Square* Instructor: Pamm Horbit $45

The shapes just keep coming - now it's the square! Bring your enthusiasm for these addictive little projects. Great use for left over beads if you stay small, or create the box any size you wish. Square or rectangular - the choice is yours!

Level: Advanced **Prerequisite:** Knowledge of peyote stitch, even & odd count.

Session 1: Sunday, September 30 11am-5pm

Cellini Triangle Pendant* Instructor: Pamm Horbit $45

Technique! Technique! Technique! You've mastered the Peyote Triangle and the Cellini Spiral! Now what? Learn how to combine these popular techniques into a lovely pendant. Hang your finished pendant on the chain you'll learn to make in class, or your choice of any other.

Level: Advanced **Prerequisite:** Proficiency with peyote triangles a must.

Session 1: Sunday, October 21 11am-5pm

BEADWEAVING CLASSES

Focal Fringes — Instructor: Pamm Horbit — $45

Learn three fringe techniques to enhance your favorite focal bead. Come prepared for play - we'll be learning how thread color can change the color of your transparent or translucent bead!

Level: Beginning **Prerequisite:** None

Session 1: Saturday, November 10 11am-5pm

The Duchess Bracelet* — Instructor: Daeng Weaver — $45

Inspired by the Royal Wedding of Kate and Prince William, the Duchess Bracelet is both regal and sophisticated. The sparkling crown of each unit is made with a Swarovski Rivoli, embellished with bicone crystals, and resting on a peyote-stitched base. The crown and base are created as a single unit. A snap is hidden beneath one dome.

Level: Intermediate **Prerequisite:** Knowledge of circular & odd-count peyote.

Session 1: Sunday, September 23 11am-5pm

Taravadee Necklace* — Instructor: Daeng Weaver — $45

new

A bold and elegant necklace that you can make in your own design, this project will give the opportunity to use leftover pearls, gemstones or crystals in varying sizes. Combine them in strands of mixed size 15 round beads and connect them into a herringbone tube. You will make a cuff link design with two chaton crystals for the necklace closure.

Level: Advanced **Prerequisite:** Knowledge of herringbone & circular peyote.

Session 1: Sunday, October 7 11am-5pm

Bling Squared* — Instructor: Daeng Weaver — $45

A prize-winning variation of this design appeared on the cover of Beadwork magazine, and now you can make the Squared Crystal Links Bracelet for yourself. Use a large oval Swarovski crystal as a brilliant centerpiece. We'll stitch a bezel around the crystal and link it together with square rings using straps and small peyote tubes. The elegant two-loop closure secures the bracelet nicely.

Level: Intermediate **Prerequisite:** Knowledge of odd count peyote stitch.

Session 1: Saturday, October 13 11am-5pm

Russian Leaves Flower Brooch* — Instructor: Daeng Weaver — $45

The gorgeous flower is made of 10 Russian leaves connected together. You'll learn how to increase and decrease peyote stitch to form each leaf. Then you'll combine the leaves and embellish them with small pearls, gemstones or crystals. You will also learn how to finish the brooch elegantly with a pin back.

Level: Intermediate **Prerequisite:** Knowledge of peyote stitch.

Session 1: Sunday, November 25 11am-5pm

Two-Sided Chaton Crystal Earrings* — Instructor: Daeng Weaver — $45

Create these beautiful double-sided earrings using circular peyote stitch. Select two colors of Chaton crystals for a different look on each side. Then embellish your earrings with small gemstones and small freshwater pearls for an elegant look.

Level: Intermediate **Prerequisite:** Knowledge of circular peyote stitch.

Session 1: Sunday, December 2 11am-5pm

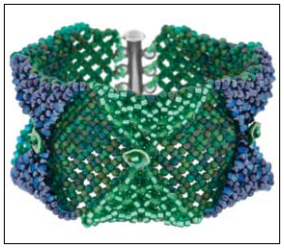
The Dazzling Links Bracelet* — Instructor: Daeng Weaver — $45

This class is ideal for students who would love to explore more of tubular right angle weave. You'll make bow links, connecting links and closure links to become an elegant bracelet. You'll learn how to make the curve between tubular right angle weave stitches, and connect the links together. Gemstone or crystal embellishing will make this bracelet outstanding.

Level: Intermediate **Prerequisite:** Knowledge of right angle weave and ladder stitch.

Session 1: Saturday, December 15 11am-5pm

BEADWEAVING CLASSES

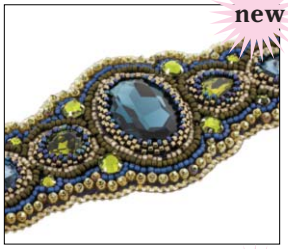


Courtesan Cuff* Instructor: Glorianne Ljubich $45

Imagine yourself in eighteenth century France wowing the royals with your lacey netted cuff. Create this saucy piece using both vertical and horizontal netting stitch and seed beads, crystal bicones and your choice of either buttons, drops or whatever tickles your fancy for embellishment. Weave this cuff in a day and wear it out on the town that night.

Level: Intermediate **Prerequisite:** Knowledge of at least one beadweaving stitch.

Session 1: Sunday, September 30 11am-5pm



new

Belle Epoque* Instructor: Glorianne Ljubich $45

Make a fashion statement with this romantic, powerful, encrusted cuff. While creating this piece, you will learn how to plot your design, how to "set" beautiful crystal stones in beading foundation, and stitch a bezel around them. You will also learn bead embroidery and how to finish your piece with soft backing and a brick stitch edging. Go bold or go home

Level: Intermediate **Prerequisite:** Knowledge of flat peyote stitch.

Session 1: Sunday, November 11 11am-5pm

new

Midsummer Night's Dream* Instructor: Glorianne Ljubich $45

Create these feminine, sparkly earrings using pear-shaped crystal stones and bicones, peanut-shaped seed beads and a variety of other seed beads. Expand your knowledge of peyote stitch, and come away with a pair of earrings that will summon your inner princess. These make great gifts, too!

Level: Intermediate **Prerequisite:** Knowledge of flat peyote stitch.

Session 1: Sunday, December 9 11am-5pm

Silver Screen* Instructor: Glorianne Ljubich $45

Evoking 1930's Hollywood glamour, this necklace makes an elegant statement. The pendant is composed of two parts, which you will learn to make in class, using tubular peyote and tubular herringbone stitches. Use beautiful crystal baguettes and bicones, Delicas and seed beads to weave these components, and then finish the spiralled herringbone necklace later with the written instructions.

Level: Intermediate **Prerequisite:** Knowledge peyote and herringbone stitches.

Session 1: Sunday, December 16 11am-5pm

new

Knot Changing* Instructor: Melissa Loden $45

This interchangeable bracelet uses the tubular right angle weave technique in a triangular sort of way. The tube itself has three sides, not the traditional four. Make two completely separate components that can be switched to match your mood or ensemble.

Level: Intermediate **Prerequisite:** Knowledge of right angle weave.

Session 1: Friday, November 2 11am-5pm

new

Boxed Pendant* Instructor: Melissa Loden $45

With nothing but needle and thread (and a few beads), we'll stitch a sturdy pendant using a 3-dimensional right angle weave technique. Fill your new pendant's boxes with 4mm beads, or leave the boxes empty – you choose.

Level: Intermediate **Prerequisite:** Knowledge of right angle weave.

Session 1: Saturday, November 3 11am-5pm

new

Step Up* Instructor: Melissa Loden $45

Blocks of colored steps seem to climb forever up around your wrist. Make the blocks in any color using size 11 seed beads with a 3-D right angle weave technique while you learn how to attach each block of steps, making a "hinge." You'll also learn how to make the complementary toggle closure, which can be used in other woven projects.

Level: Intermediate/Advanced **Prerequisite:** Must be proficient in right angle weave.

Session 1: Sunday, November 4 11am-5pm

MACRAME & CORD CLASSES

Bohemian Wrap Bracelet — Instructor: Sara Molina — $25

Learn to weave this striking and iconic style of bracelet, even if you have no prior beadweaving experience. You'll leave inspired and ready to make bracelets to match every last outfit in your closet!

Level: Beginning **Prerequisite:** None

Session 1: Thurs., September 13 6pm-9pm
Session 2: Sat., October 6 10am-1pm
Session 3: Wed., October 24 6pm-9pm
Session 4: Sat., December 1 10am-1pm

new

Intermediate Bohemian Wrap Bracelet* — Instructor: Sara Molina — $25

Do you love the stackable bracelet craze that's taking over the jewelry world? Put a unique spin on the iconic Bohemian Wrap Bracelet with this follow-up class that teaches you how to add chain to the edges and in the middle of the bracelet. You can even create a triple-row wrap bracelet to make an extra-bold statement!

Level: Intermediate **Prerequisite:** Bohemian Wrap Bracelet

Session 1: Wed., September 26 6pm-9pm
Session 2: Sat., November 3 10am-1pm

Chain and Cord Bracelet Trio — Instructor: Sara Molina — $25

Stackable friendship bracelets are the huge trend this year. Learn to make three completely original friendship bracelet styles made with cord and chain. Two of these fun and easy-to-make designs involve wrapping ball chain with cord, and the other is made by wrapping curb chain with contrasting cords. You'll leave this class with confidence, creative ideas and a whole wrist full of gorgeous, colorful bracelets!

Level: Beginning **Prerequisite:** None

Session 1: Monday, October 15 6pm-9pm

Modern Beaded Macramé — Instructor: Sara Molina — $25

Learn the basics of macramé jewelry, then take it to the next level by adding beads in a variety of ways to achieve a colorful, dynamic look. You can make a classic beaded macramé bracelet, or you can cover leather or metal with macramé to add texture to otherwise plain jewelry designs.

Level: Beginning **Prerequisite:** None

Session 1: Tuesday, December 18 6pm-9pm

CLASS SIGN UP DAY THURSDAY, AUGUST 16 AT 10AM

JEWELRY CLAY

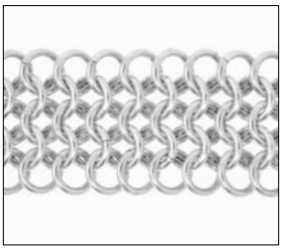
Clay & Crystal Creations — Instructor: Sara Molina — $25

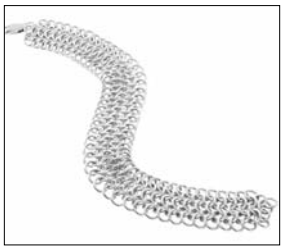
Learn how to use the hugely popular DeCoRe Clay and Crystal Clay products to create amazing jewelry studded with crystal fancy stones or anything else your heart desires – metal, wood, glass and more! This class is all about using just a few materials to create fun, bold and sparkly pieces to incorporate into your jewelry designs.

Level: Beginning **Prerequisite:** None

Session 1: Saturday, September 29 10am-1pm
Session 2: Tuesday, November 20 6pm-9pm

CHAINMAILLE CLASSES





European 4-1 **Instructor: Nora Olsen** **$25**

Traditionally used to make armor, the European 4-in-1 makes striking jewelry. Learn the basic weave as well as a number of patterns to create a variety of jewelry designs. This weave can also be dressed up with gemstones, beads or crystals.
Approximate cost of each piece when finished: $125 for sterling silver and $14 for copper.

Level: Beginning **Prerequisite:** None

Session 1: Thursday, September 20 6pm-9pm

Japanese 6-1 Weave* **Instructor: Nora Olsen** **$25**

Metal that feels like fabric. Use jump rings to create a graceful and elegant bracelet that will compliment any outfit. A versatile take on traditional Japanese armor, this weave is unique and sophisticated. Known as “asa no ha gusari”, the delicate nature and precise detail of this weave epitomizes the art of combining fashion and function.
Approximate cost of each piece when finished: $140 for sterling silver and $25 for copper.

Level: Intermediate **Prerequisite:** At least one chainmaille class

Session 1: Thursday, September 27 6pm-9pm

Full Persian Weave* **Instructor: Nora Olsen** **$25**

This thick, round weave resembles rope, yet remains light and airy. You’ll learn the weave in class, and we’ll discuss ways you can incorporate beads and crystals to make your piece pop.
Approximate cost of each piece when finished: $125 for sterling silver and $14 for copper.

Level: Advanced **Prerequisite:** At least 2 previous chainmaille classes.

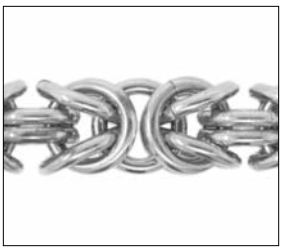
Session 1: Thursday, October 4 6pm-9pm

Half Persian 4-1 Weave* **Instructor: Nora Olsen** **$25**

Looking for a chainmaille challenge? This is the weave for you. Sinuous and sleek - also called Snake Chain - the Half Persian 4-1 chain is sure to become a favorite.
Approximate cost of each piece when finished: $85 for sterling silver and $11 for copper.

Level: Advanced **Prerequisite:** At least 3 previous chainmaille classes.

Session 1: Wednesday, November 7 6pm-9pm



Byzantine **Instructor: Nora Olsen** **$25**

The most traditional and popular chainmaille weave, Byzantine lends itself to bracelets, necklaces and even earrings. Learn how to make this great fundamental chain, and get ideas for creating modern variations. Keep your bracelet sleek and simple, or dress it up with beads, crystals or charms. Byzantine is the perfect weave to start you on the path to chainmaille enlightenment.
Approximate cost of finished piece: $80 for sterling silver and $10 for copper.

Level: Beginning **Prerequisite:** None

Session 1: Wed., November 14 6pm-9pm

Captured Crystals **Instructor: Nora Olsen** **$25**

Peanut butter and chocolate. Milk and cookies. Crystals and silver. Some things are made to go together. Learn how to create a sterling silver chainmaille bracelet filled with crystal, pearls or beads. The best part? No hidden wires! The weave forms a hollow tube that captures the beads and holds them tightly. All you see is sparkle!

Approximate cost of each piece when finished: $85 for sterling silver and $14 for copper.

Level: Beginning **Prerequisite:** None

Session 1: Thursday, November 29 6pm-9pm

RECEIVE 10% OFF YOUR PURCHASES THE DAY OF YOUR CLASS!

FUSING CLASSES

Basic Fusing **Instructor: Allison Thompson** **$35**

Learn the basics of making an open-link chain without soldering. Use fine silver and a butane torch to create necklaces, bracelets and earrings. You'll shape and pound rings to give your pieces an organic look. Approximate cost of materials needed: $50.

Level: Beginning **Prerequisite:** None

Session 1: Wed., September 12 6pm-9:30pm
Session 2: Tues., September 25 6pm-9:30pm
Session 3: Sat., October 6 2pm-5:30pm
Session 4: Thurs., November 1 6pm-9:30pm
Session 5: Mon., November 26 6pm-9:30pm
Session 6: Sat., December 1 10am-1:30pm

Fused Elements* **Instructor: Samantha Slater** **$25**

Now that you have mastered the basics of fusing, let's get creative and make organic, fused elements. Using two torches and fine silver, you'll learn to form unique and striking components and links for earrings, bracelets and necklaces. We'll also uncover the mysteries of oxidizing silver so that you can give your jewelry components an elegant, antique finish. Master the techniques, and then unleash your creativity - this class will give you time for both!

Level: Intermediate **Prerequisite:** Basic Fusing

Session 1: Wednesday, October 24 6pm-9pm
Session 2: Tuesday, December 18 6pm-9pm

Fused Rings* **Instructor: Janice Berkebile** **$25**

Form, texture & hammer fused rings in a variety of ways to create a unique set of stack rings that speaks of you. You can never have too many!

Level: Beginning/Intermediate **Prerequisite:** Basic Fusing helpful

Session 1: Wed., December 12 10am-1pm
Session 2: Wed., December 12 2pm-5pm

PMC CLASSES

Basic PMC **Instructor: Virginia Causey** **$45**

Learn the basic skills for working with Precious Metal Clay. Using a kiln, experience the wonderment of seeing the fired PMC become a solid piece of fine silver (.999). You will design charms, pendants and sliders that can be incorporated into jewelry and make several earring elements. This class will give you the technical skills to continue your adventure in creating jewelry with elements made of Precious Metal Clay. Approximate cost of materials needed: $85.

Level: Beginning **Prerequisite:** None

Session 1: Saturday, September 29 11am-5pm

PMC Rings* **Instructor: Virginia Causey** **$45**

Build upon your basic Precious Metal Clay skills to create your own rings. Setting stones and using enamels and gold leaf will enhance the surface texture of the rings. Learn basic and embellishment techniques, make your pieces and then learn cleaning and finishing techniques. Approximate cost of materials needed: $85.

Level: Intermediate **Prerequisite:** Basic PMC

Session 1: Sunday, December 2 10am-5pm *there will be a 2 hour break in the middle*

OPEN STUDIO

Open Studio **Instructor: Staff** **$10**

Open Studio is a great opportunity to bead with your friends, share ideas and have fun. Bring a beading project to work on and a Fusion Beads staff member will be available to help you. Use our classroom and our tools, relax and shop at your leisure! Please, no torch or kiln work. Instructions for existing classes will not be provided. Bring refreshments if you wish.

Session 1: Wed., September 19 6pm-9pm
Session 2: Thurs., October 4 6pm-9pm
Session 3: Wed., November 28 6pm-9pm
Session 4: Tues., December 11 6pm-9pm

WIRE TWINING CLASSES

Egg Basket: Oval Twined Wire Bowl
Instructor: Marilyn Moore **$45+$32 materials fee**

Twining is such a satisfying and relaxing way to make a basket. Why not do it with wire? Using your own color choice, learn color blending with fine wire. This small oval basket is a beautiful way to store your favorite earrings or ring.

Level: Beginning **Prerequisite:** None

Session 1: Sunday, September 16 11am-5pm

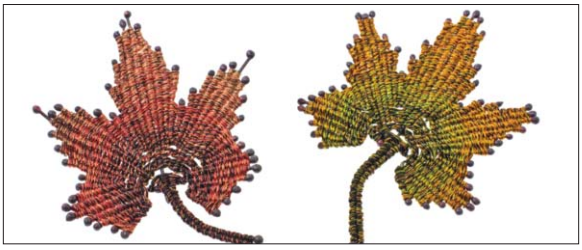
new

Lantern Pendant Instructor: Marilyn Moore $25+$23 materials fee

This elegant pendant, worthy of a queen, is twined using fine colored wires blended for a pleasing effect. Attach a pearl for the final touch of class.

Level: Beginning **Prerequisite:** None

Session 1: Tuesday, October 30 6pm-9pm



Maple Leaf: Twined Wire*
Instructor: Marilyn Moore **$45+$32 materials fee**

Using Marilyn's unique method of color blending using copper wire, explore the use of fine colored wires as a twining material. Your Maple Leaf will glow when the light hits it. If desired, twine in a sterling silver pin, which will turn your leaf into a brooch.

Level: Intermediate **Prerequisite:** Twining experience needed.

Session 1: Saturday, November 10 11am-5pm

Sea Urchin Pendant* Instructor: Marilyn Moore $45

Using a stone donut as an armature, wire and beads, knit and crochet this elegant pendant. This is reminiscent of a sea urchin, and pearls or beads enhance that effect.

Level: Intermediate **Prerequisite:** Knowledge of simple crochet is helpful.

Session 1: Friday, December 7 11am-5pm

new

Twined Filigree Earrings
Instructor: Marilyn Moore **$25+$23 materials fee**

Twine these elegant earrings using wire for spokes bent into an open heart shape. This is an easy and fun project – make earrings that will complement your favorite outfit. Add a pearl or bead drop in the heart as an accent to the twining.

Level: Beginning **Prerequisite:** None

Session 1: Sunday, December 9 10am-1pm

new

Catch of the Day Twined Wire Pendant
Instructor: Marilyn Moore **$25+$23 materials fee**

Using Marilyn's unique method of blending color and using copper wire for spokes, explore the use of two colors of fine wire as a twining material. The fish can be used as a pendant, or make a matching one for a pair of earrings. You will receive spokes to complete two fish.

Level: Beginning **Prerequisite:** None

Session 1: Sunday, December 9 2pm-5pm

RECEIVE 10% OFF YOUR PURCHASES THE DAY OF YOUR CLASS!

WIRE & METALSMITHING CLASSES

Beginning Wire Wrapping — Instructor: Monica Street — $25

Wire wrapping is one of the most popular techniques in jewelry making. Learn to master the perfect wire wrapped loop using wire and beads to create beautiful, contemporary earrings, bracelets and necklaces.

Level: Beginning **Prerequisite:** None

Session 1: Sun., September 16 11am-2pm
Session 2: Sun., October 7 11am-2pm
Session 3: Tues., October 30 6pm-9pm
Session 4: Tues., November 6 6pm-9pm
Session 5: Tues., November 27 6pm-9pm
Session 6: Thurs., December 6 6pm-9pm

Intermediate Wire - Findings*
Instructor: Cody Westfall — $25+$16 materials fee

In this follow-up class to beginning wire wrapping, you'll learn more advanced techniques for wirework, including how to create everyday essentials such as head pins, ear wires and clasps. This class will also tackle the intimidating side-drilled briolette. Take your wire wrapping to the next level and give it that refined, handmade look you've been searching for.

Level: Intermediate **Prerequisite:** Beginning Wire Wrapping

Session 1: Wednesday, October 17 6pm-9pm
Session 2: Sunday, November 11 10am-1pm

Basic Riveting — Instructor: Cody Westfall — $25+$12 materials fee

Get hooked on riveting – a fabulous metalworking technique. In this introductory class, you will learn two great ways to make cold connections. First you will learn how to make and use wire rivets. Then you will learn how to rivet with our riveting tool.

Level: Beginning **Prerequisite:** None

Session 1: Tuesday, September 18 6pm-9pm
Session 2: Tuesday, November 6 6pm-9pm

Dapped & Textured Jewelry — Instructor: Cody Westfall — $25

Learn how to texture metal to create various effects with texturing hammers and other tools. You will also learn how to dome metal with dapping blocks. You will have time to complete one finished project and start on components for future projects.

Level: Beginning **Prerequisite:** None

Session 1: Wed., September 26 6pm-9pm

Make an Impression — Instructor: Cody Westfall — $25

Learn to stamp on metal in this beginning stamping class. We'll cover the necessary tools and materials needed for this great technique. You will learn how to us letter and design stamps to create a pendant by stamping on a metal blank. Leave class with a unique and personal piece of jewelry.

Level: Beginning **Prerequisite:** None

Session 1: Tuesday, October 23 6pm-9pm

Intro to Using a Jeweler's Saw — Instructor: Samantha Slater — $25

Enter a new realm of jewelry techniques by learning how to use a jeweler's saw. Bring your own designs, or choose one of our samples to cut out of metal with a saw and create a pendant. Students will learn both sawing and piercing metal as well as finishing and filing steps to creating a smooth, eye-catching piece.

Level: Beginning **Prerequisite:** None

Session 1: Tuesday, November 13 6pm-9pm

WIRE & METALSMITHING CLASSES

A Peek Into My World Bracelet — Instructor: Tracy Stanley — $45

Make little windows that you can peek into. A trip to the hardware store can supply most of the materials you will use in this fun bracelet. We'll use metal texturing, stamping, riveting, sawing and resin to create A Peek into My World.

Level: Beginning **Prerequisite:** None

Session 1: Tues., October 16 11am-5pm
Session 2: Wed., December 19 11am-5pm

Rivets & Clusters Bracelet — Instructor: Tracy Stanley — $45

Texturing, stamping and riveting are all techniques we will use to create this fun bracelet. A fun cluster of pearls, crystals and gemstones will make this piece stand out. Finish your bracelet off with a handmade clasp. It's a great class for those who are new to metal/wirework and those who are more experienced and looking for a fun new project. If time allows, you can even make matching earrings!

Level: Beginning **Prerequisite:** None

Session 1: Thursday, October 18 11am-5pm

new

Encrusted Cuff* — Instructor: Tracy Stanley — $45

Learn to create this incredible encrusted wire cuff bracelet that means you can never have too much! Combine wire forming, wire wrapping and eye wraps to make this unique piece. This is your chance to adorn yourself with your favorite pearls and gemstones. Go out and strut your stuff!

Level: Intermediate **Prerequisite:** Beginning Wire Wrapping

Session 1: Saturday, October 20 11am-5pm
Session 2: Friday, December 14 11am-5pm

new

Shake It Up Bracelet — Instructor: Tracy Stanley — $25

Make this fun bracelet using riveting and bead wrapping techniques. It's fun and easy, and when it's all done, you can shake it all around!

Level: Beginning **Prerequisite:** None

Session 1: Monday, October 22 2pm-5pm
Session 2: Thursday, November 29 6pm-9pm

Riveted Rings — Instructor: Tracy Stanley — $25

Hey, you've got 10 fingers – how about a ring for each? Learn how to make this ring using metals that are textured and riveted. It's a fun, low-tech way of making a fabulous, one-of-a-kind ring.

Level: Beginning **Prerequisite:** None

Session 1: Monday, October 22 6pm-9pm
Session 2: Thursday, November 29 2pm-5pm

Wrap Around & Around Bracelet — Instructor: Tracy Stanley — $45

Create this fun bracelet that wraps around and around your wrist using wire wrapping, stamping, riveting and metal texturing techniques. Then add a little flash with crystals and pearls. This bracelet can wrap once around or as many times as your heart desires! Watch out – your bracelet will be the envy of all!

Level: Beginning **Prerequisite:** None

Session 1: Monday, November 12 11am-5pm

Viking Knit and Beyond — Instructor: Tracy Stanley — $45

Learn the ancient technique of viking knit, and then take it steps further by learning embellishing and finishing techniques. Create a finished bracelet with embellishments and a handmade clasp.

Level: Beginning **Prerequisite:** None

Session 1: Wed., November 14 11am-5pm

WIRE & METALSMITHING CLASSES

Bangles with a Message — Instructor: Tracy Stanley — $45

Make these bangles individually or as one it doesn't matter-either way, they're fun! Add your own personal message. You'll learn coiling, sawing, stamping, texturing and wire wrapping.

Level: Beginning **Prerequisite:** None

Session 1: Monday, December 3 11am-5pm

Coiled & Riveted Cuff* — Instructor: Tracy Stanley — $45

Make a unique and fun riveted cuff. Learn to combine metal texturing, stamping, wire wrapping and riveting to create a cuff that makes a statement.

Level: Intermediate **Prerequisite:** Beginning Wire Wrapping

Session 1: Wednesday, December 5 11am-5pm

Resins - Wire Forms — Instructor: Tracy Stanley — $25+$5 materials fee

Learn how to make wire forms that can be used with resin to make great one-of-a-kind charms or pendants for your jewelry. It's a fun and easy technique, whether you are new to resins or experienced and looking for a new way to use them.

Level: Beginning **Prerequisite:** None

Session 1: Monday, December 17 10am-1pm

new

Woven Bracelet* — Instructor: Sarah Thompson — $25

Learn Sarah's favorite wire weaving technique while you create a chic woven cuff bracelet. This weaving technique is the foundation for more intricate work and is used in her intermediate and advanced classes. Finish your bracelet with a simple yet stylish hammered clasp.

Level: Beginning **Prerequisite:** Wire working and wire weaving

Session 1: Thursday, October 11 6pm-9pm

new

Ruffles & Lace Pendant* — Instructor: Sarah Thompson — $45

Woven wire shapes and sparkling crystals come together in this exquisite statement pendant. The piece is completed by weaving the wire ends into an intricate design at the heart of the pendant.

Level: Intermediate/Advanced **Prerequisite:** Wire working and wire weaving

Session 1: Friday, October 12 11am-5pm

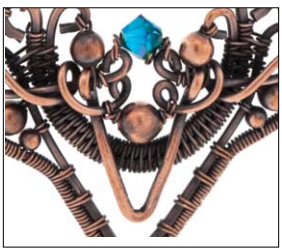
new

Baroque Pendant* — Instructor: Sarah Thompson — $45

Ornate wire weaving twists and curls around your choice of a pearl or crystal in this gorgeous bezel pendant. This is a wonderful class for getting familiar with wireworking, particularly with fine gauged wires.

Level: Beginning **Prerequisite:** Wire working and wire weaving

Session 1: Saturday, October 13 11am-5pm



new

Kayla Earrings* — Instructor: Sarah Thompson — $45

Create an elegant, eye-catching pair of earrings by shaping, weaving and manipulating different gauges of wire. You will also learn how to layer the wire to create a more dimensional and intricate design.

Level: Intermediate/Advanced **Prerequisite:** Wire working and wire weaving

Session 1: Sunday, October 14 11am-5pm

WIRE & METALSMITHING CLASSES

Jellyfish Garden — Instructor: Janice Berkebile — $45

Weave, dap and embellish to unfurl the mysteries of this fanciful garden. Basketweave a bail, and texture and dap the domes. Weave in beads to add color and sparkle. Connect the three tiers to create this intriguing pendant.

Level: Beginning **Prerequisite:** None

Session 1: Thursday, September 13 11am-5pm

Out of this World* — Instructor: Janice Berkebile — $45

Using wire and beads, create three styles of beads: the Orbit bead, Saturn bead and Galaxy bead. These three beads can be used as individual focal pieces or can be strung together into a fabulous necklace. Either way, they are out of this world! Techniques include coiling, spiraling, eye pins and weaving.

Level: Intermediate **Prerequisite:** Beginning Wire Wrapping

Session 1: Friday, September 14 11am-5pm
Session 2: Saturday, December 15 11am-5pm

Wild at Heart* — Instructor: Janice Berkebile — $45

Create your own handmade fused chain, beginning with a heart focal. Embellish your special chain with a variety of wraps and Swarovski hearts for a stunning necklace that is wild at heart. The necklace can be finished with chain or cord.

Level: Intermediate **Prerequisite:** Basic Fusing

Session 1: Friday, September 21 11am-5pm
Session 2: Friday, November 9 11am-5pm

Treasure Chest of Wire Components — Instructor: Janice Berkebile — $45

Make an S chain and clasp from wire. Cut, form and texture leaves from sheet metal. Connect the leaves and pearls using jump rings to make a fabulous leaf bracelet that has movement and color.

Level: Beginning **Prerequisite:** None

Session 1: Friday, October 5 11am-5pm
Session 2: Thursday, December 13 11am-5pm

Wire Pea Pod* — Instructor: Janice Berkebile — $45

This coiling/weave technique uses a heavier gauge wire as a frame and finer gauge wire to bind the frames together to make an organic pod shape. Add some pearls and voila – pea pods!

Level: Intermediate **Prerequisite:** Beginning Wire Wrapping

Session 1: Friday, October 19 11am-5pm

Gypsy Wire Earrings* — Instructor: Janice Berkebile — $45

Create two styles of earrings – the Art Deco and the Art Nouveau. Both styles are created by combining various elements. The base elements are covered using a coiling technique called the gypsy wire wrap. Dangle precious gemstones from the eyes to add color and movement. Join the components with jump rings to create fabulous gypsy-style chandelier earrings.

Level: Intermediate **Prerequisite:** Beginning Wire Wrapping

Session 1: Friday, November 30 11am-5pm

Fruit of the Vine — Instructor: Janice Berkebile — $45

Using basic low-tech repoussé and chasing techniques, move metal to create three-dimensional leaves. Add a few pods made using basketweave and stuffed with your favorite gems and pearls. Cascade the leaves and pods down an artful vine for an unforgettable pendant.

Level: Beginning **Prerequisite:** None

Session 1: Thursday, December 6 11am-5pm

RESIN & MIXED MEDIA CLASSES

Intro to ICE Resin Instructor: Samantha Slater $25+$10 materials fee

Learn to work with ICE Resin, a non-toxic jeweler's grade resin that gives you endless possibilities for your jewelry designs! Pour the resin into a bezel setting or silicone mold, or even use it over paper. You can use lots of different images and materials with ICE Resin that will be sure to get your creativity running wild!

Level: Beginning **Prerequisite:** None.

Session 1: Saturday, September 15 10am-1pm **Session 3:** Tuesday, December 11 6pm-9pm
Session 2: Tuesday, October 9 6pm-9pm

Finishing ICE Resin* Instructor: Samantha Slater $25+$5 materials fee

Now that you've learned to use ICE Resin, you're ready to finish your resin pieces like a pro. Sanding and finishing ICE Resin will give your components and pendants a beautiful, finished quality. You'll also learn about rubber stamping, layering and doming. Take your ICE Resin creations to the next level!

Level: Intermediate **Prerequisite:** Intro to ICE Resin

Session 1: Tuesday, November 27 6pm-9pm

Chemical-Free Etching Instructor: Juli Martin $25+$10 materials fee

Learn how to etch beautiful images onto copper – without the hazardous waste of traditional methods. Science fair meets jewelry adventure in what is sure to become a favorite technique for modifying metal. Learn to build a compact etching system using repurposed household goods as well as several different techniques of resist and image transfer. We will also learn how to create more detailed and textural images using multi-layer etches and patina techniques.

Level: Beginning **Prerequisite:** None

Session 1: Mon., September 24 6pm-9pm **Session 3:** Sat., December 8 10am-1pm
Session 2: Mon., October 15 6pm-9pm

Trapped Rings Instructor: Juli Martin $25

Capture beads, cabochons, rough stones, sea glass, old coins and more with this versatile technique. Learn the basics of what kinds of shapes work and what don't, as well as different prong shapes and designs. Mix metal and textures to create gorgeous rings out of ordinary (and extraordinary) objects.

Level: Beginning **Prerequisite:** None

Session 1: Sunday, November 11 2pm-5pm

Metal Garden* Instructor: Melissa Cable $45

Learn to make metal flowers using metal shears...no jeweler's saw needed! Students will receive patterns for three flowers and choose their own project. As part of creating the flowers you'll learn to cut, file, texture, stamp and rivet metal while exploring different ways to incorporate these flowers into your other metal or mixed media designs.

Level: Intermediate **Prerequisite:** Beginning Wire Wrapping

Session 1: Friday, September 28 11am-5pm

Etched Copper Cuff Instructor: Melissa Cable $45

Walk out of this class with a finished cuff. Learn how to set up your own etching tank inexpensively, and make a Faux Bone™ tool you'll use again and again. Incorporate Faux Bone™ into your metal work, giving you added flexibility and functionality with the ability to add color if desired.

Level: Beginning **Prerequisite:** None

Session 1: Sunday, November 4 11am-5pm

Intro to Faux Bone™ Instructor: Melissa Cable $25

Learn to create fun cuffs and beads using Faux Bone™ strips. These are great as a base for your other metal work or for displaying pre-made components by attaching them with rivets, screws or other cold connections.

Level: Beginning **Prerequisite:** None

Session 1: Tuesday, November 20 6pm-9pm

GUEST INSTRUCTOR

C.R. Radding lives and creates in California, while maintaining her 20 year old business fabricating soft furnishings for interiors. Exploring her personal creativity with beading and wire work has been her passion for many years, along with inspiring and nurturing the creativity in others, while sharing her skills.

CR RADDING

Mosaic Bracelet* Instructor: CR Radding $50

Weave a tapestry of beads onto this wire-based cuff. You will learn to form and hammer wire into the basic cuff, coil and weave beads with wire, and finish with a self-made wire closure. Beginners will love the simple techniques, while beaders of all levels will appreciate the gorgeous results.

Level: Intermediate **Prerequisite:** Beginning Wire Wrapping

Session 1: Thursday, November 15 6pm-9pm

Extravagant Finger Weaving Instructor: CR Radding $85

Bead, buttons, found objects, and treasures are interwoven into an eye-catching bracelet or necklace using the ancient technique of finger weaving. Made as sumptuous or delicate as you wish, this is an easy technique to master and the variations are endless.

Level: Beginning **Prerequisite:** None

Session 1: Friday, November 16 10am-5pm

Ever Bloomin' Cuff Instructor: CR Radding $85

Flowers are blooming all over this wire-based cuff! You'll learn the steps to form the base, and wire together beads, pearls, and stones to create your blooms. Finally, plant the blossoms on the cuff for an elegant wrist garden.

Level: Beginning **Prerequisite:** None

Session 1: Saturday, November 17 10am-5pm

Heart Pin* Instructor: CR Radding $50

Express your heart's whimsy and wit with a pin made from wire and beads. Learn wire forming, wrapping, a pin-and-catch mechanism, letter and pattern stamping, coiling and beading embellishments to create a unique work of art.

Level: Intermediate **Prerequisite:** Beginning Wire Wrapping

Session 1: Sunday, November 18 10am-1pm

Basket Weave Earrings* Instructor: CR Radding $50

Using sterling silver or copper wire and a few sparkly beads, you will create uniquely intriguing earrings. Learn to form the wire base, and weave and coil to embellish your design. Then finish the earrings by adding bead links and ear wires.

Level: Intermediate **Prerequisite:** Beginning Wire Wrapping

Session 1: Sunday, November 18 2pm-5pm
